

FINAL STATEMENT OF REASONS

1) The Update to the Initial Statement of Reasons

There are no changes to the initial statement of reasons, which is hereby incorporated by reference, with the exception of the following.

In subdivision (e)(2) of Section 345.06, form OL 710, Application for Instructor's License Traffic Violator School (Rev. 9/2004), has been updated to the current version. The updated (Rev. 6/2005) version of form OL 710 contains the following changes:

- Under EMPLOYING LICENSEE'S CERTIFICATION, the word *corect* has been changed to read *correct*.
- Two instructional paragraphs have been added to the front of the form.
- On the back of the form, the word *checklist* has been changed to read *check list*.
- At the bottom of the form, the words "Date Temporary Permit Issued" have been deleted.

The applicant's driver license information and physical description have been added to the form. As a result of these changes to the form, subdivisions (e)(2)(C) and (D) of section 345.06, which were previously proposed to be deleted, will now be retained.

2) Imposition of Mandate on Local Agencies or School Districts

The department's regulatory action amending Section 345.06 and adopting Section 345.07 in Article 4.7, Chapter 1, Division 1, of Title 13, California Code of Regulations, does not impose any mandate on local agencies or school districts and imposes (1) no cost or savings to any state agency, (2) no cost to any local agency or school district that is required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4 of the Government Code, (3) no other nondiscretionary cost or savings to local agencies, and (4) no costs or savings in federal funding to the state. No studies or data were relied upon to make this determination.

3) Summary of Comments Received and Department Response

The proposal was noticed on May 6, 2005, and made available to the public from May 6, 2005 through June 20, 2005. No comments were received on the regulatory proposal.

Due to the form revision, a 15-day comment period was held commencing August 24, 2005 and ending September 8, 2005. No comments were received during this period.

4) Determination of Alternatives

No reasonable alternative considered by the department, or that has otherwise been identified and brought to the attention of the department, would be more effective in carrying out the purpose for which these regulations are proposed or would be as effective and less burdensome to affected private persons than the proposed regulations. During the rulemaking process no alternative that would lessen the adverse economic impact on small business was submitted.
